7500 PEOPLE HERE

CELEBRATION WAS A SUCCESS IN POINT OF NUMBERS.

HIGHWAY WAS DEDICATED

Exercises at Normal Grounds Were Well Attended—Base Ball Drew Big Crowds.

The Fourth of July celebration here Tuesday was well attended and was a success. While the weather was 107 in the afternoon, the people that were in attendance didn't seem to mind the hot weather.

The Fourth this year was more quietly and sanely observed than ever before in the history of the day. No serious accidents happened that marred the day. The use of fireworks was reduced to the minimum.

The crowd that attended the celebration is estimated at 7,500. A large crowd was present at the ball game in the afternoon between Falls City and the Comets at the ball park, besides the large crowd that was in Normal park and in the grandstand at the Normal athletic grounds, where the attractions were held in the afternoon. The grandstand on the Normal grounds was packed and people were standing around near the stand.

While the auto parade was not as large as expected, many out-of-town cars were in line. The first prize in the parade went to L. W. James of Elmo, the second to James Kavanaugh of Graham, and the third to S. G. Massie of near Hopkins.

Quite a feature of the celebration was the basket dinner held in the Normal park. Many of the visitors had their dinners there. Some little complaint was made by them that there was not the proper conveniences for their comfort, as there were no seats and very little ice water.

Before the basket dinner exercises were held at the Normal grandstand. An address was delivered by Dr. J. S. Ford, music was given by the Conservatory Glee club, a reading by Prof. Harry Miller, a short address by M. E. Ford, and a declamation by James Farrar was the program.

The work of LaGrecia and Norworth, the two Orpheum circuit stars, pleased the large crowd.

In the evening the celebration closed with band concerts by the Maryville and Silver City, Ia., bands, and an attraction by LaGrecia and Norworth.

In all, the celebration was a good one and the people were well satisfied. A much larger crowd than was thought for was in attendance, and outside of a few arrests for drunkenness nothing occurred to mar the day.

CUFF BOUGHT THE CRYSTAL AIRDOME

W. P. Cuff has bought of the Crystal Theater company the airdome on East Third street and has leased the grounds. For the present moving pictures will be on, commencing with Friday evening. The admission fee will be 5 cents.

Mr. Cuff was field manager of the Western Film Exchange company and has been connected with the Columbia theater in Kansas City, Kan. He intends to have independent pictures, and to have four films a night.

The airdome will be called the Starlight Airdome.

Mrs. Nicholas Sowder of Pickering spent the Fourth in Maryville with her son, Prof. N. N. Sowder, and wife at the home of Mrs. R. H. Perry.

Miss Jessie Fannon, who has been the guest of Mr. and Mrs. Robert Brown, at 901 North Walnut street, since Friday, returned to her home Wednesday morning.

"SAINTS HIGHWAY" DEDICATED ON FOURTH

The dedication exercises for the Saints Highway, which has been recently established, took place at 4 o'clock yesterday afternoon at the corner of First and Main streets, near Holmes & Co.'s grocery store. Postmaster S. R. Beech, in a neat speech, delivered the dedication address, while Miss Brownie Toel christened the highway, a bottle of wine being used.

The following is the closing part of Mr. Beech's speech:

SAINTS HIGHWAY.

You're glad your livin', and so am I,
To celebrate this Fourth of July;
The business that we have in hand
Is monstrous noble, fine and grand.

The dedication of this day
Was the greatest thing of all,
But to dedicate this Saints Highway
Should not be figured small.

Mr. Roseberry said, "Since you're not dead,
You must come out and play
With sporty boys that make the noise
Along the Saints Highway.

He said, "At 3 he'd sure see
That a car was at the P. O.;
That the weather was cool and you needed a fool,
And therefore I must go."

This pleasure is the best by far
That ever struck me yet,
For I'm too poor to own a car
And too wise to run in debt.

I get my comfort, lose my dread,
From what an Irishman once said:
"The rich can ride in chases
The poor can walk, be Jasus."

When the auto came the farmer kicked,
And threatened to load his gun;
Horses scared, women shrieked,
And dogs had most of the fun.

But here it is, and here to stay,
And prance along this great highway.
The farmer, too, just down the lane,
Bought one for the kids and Mariar Jane.

You toot your horn at slight expense;
The other fellow climbs the fence
And thus his life, perhaps secures,
While the right of way is clearly yours.

If Paul had had an auto,
He'd escaped his foes in a trice;
And while Jonah swallowed whales
He could have gone to Ninevah twice.

I hear this highway has three parts,
With Maryville for the center,
And other roads for common carts,
For footmen and the renter.

And while we'd like to christen all,
And thus prolong the run,
We'd better hie to the base ball,
And do this all in one.

So, Beal, you come here and stay,
And pick up the bits of glass,
For now we christen the Saints Highway
With this jug of peppersas.

BENEDICTION.

And now on the farmer and Lord depend
To keep it in running gear;
So you needn't ditch or climb any poles
Till the end of another year.

MARTIN TO PRACTICE LAW ALONE IN ST. JOE

Members of the firm of Allen, Gabbert, Mitchell & Martin of St. Joseph, of which B. R. Martin, formerly of this city, is a member, have agreed to dissolve, and the dissolution will become effective on or before August 1. In explanation of the dissolution, Mr. Martin said that the firm is too large and unwieldy. He added that both personally and in a professional way the associations have been altogether pleasant.

Mr. Martin will practice law alone, and has leased office rooms in the Corby building in St. Joseph. He will also have an office in Maryville.

Miss Winifred Remley, who has been the guest of Miss Frances Smith, a daughter of Mr. and Mrs. C. Q. Smith, returned to her home in Columbia Wednesday.

Mrs. W. G. Hine of Savannah was the guest of Mrs. Thana Hope and daughter, Miss Fannie Hope, Sunday and Monday. Mr. Hine is a member of the board of regents of the Northwest Normal.

SOME HOT WEATHER

FOR LAST FIVE DAYS IT HAS BEEN OVER THE 100 MARK.

NO SIGNS OF RAIN IN SIGHT

This Afternoon at 3 o'Clock It Was 106½; Monday and Tuesday, 107—Thursday, a Little Cooler.

Heat Record of Five Days.

Saturday, July 1	102
Friday, July 2	103
Monday, July 3	107
Tuesday, July 4	107
Wednesday, July 5	106½

For the last five days Maryville has seen the mercury in the thermometer creep up over the 100 mark. No such weather has been experienced by Maryville before in the history of the weather bureau. While in July, 1901, there were 17 days that averaged around 100, but no five days during that time averaged as much as the five days in July this year.

The weather forecast for today is generally fair tonight and cooler Thursday.

No sign of rain is in sight. The weather bureau at Washington gives out in press reports that rain will be forthcoming within the next few days.

The drouth has done great damage to the crops, and unless rain is had within the next few days still greater damage will be done to the corn crop, which promised a bumper crop this year up to a few weeks ago.

MADE EVEN BREAK

Comets Won Wednesday's Game from Falls City by 8 to 3.

The game was called at 2 this, Wednesday, afternoon at the ball park so as to enable the teams to catch the Burlington afternoon train. Maryville is to play at Falls City Thursday, Friday and Saturday, and next week at Auburn and Nebraska City. The Comets will not be at home until July 17, 18 and 19, when Nebraska City will come here.

Oswalt was on the mound for the Comets this afternoon and Black was behind the bat. The score by innings:

Falls City	0	2	0	0	0	0	1	0	—3
Maryville	2	0	2	0	1	0	2	1	*—8

HIS SON KILLED IN AUTO ACCIDENT

Starley Miller, the 20-year-old son of Frank W. Miller of Los Angeles, Cal., formerly of Quitman, was killed in an automobile accident a few days ago, while returning in company with his father and mother from a trip into the mountains. A heavy fog had settled as they came down from the mountain, which the searchlight of the automobile could not penetrate, and the car ran into a telegraph pole, throwing the occupants out and killing the young man instantly.

This is the second time Mr. and Mrs. Miller have been deprived of a son in an accident. Their eldest son, two years older than the one killed a few days ago, was killed nineteen years ago. While riding in a wagon in which his father was driving, the boy fell over the sideboards to the road and the wheels passed over his body in a manner as to kill him instantly.

Mr. Miller, the father, will be well remembered by many in the Quitman neighborhood, where he attended school. He is the son of Mrs. W. H. Miller of this city and the half-brother of her daughter, Mrs. Mark A. Turner, whom he visited in Maryville a year ago. He is a retired business man.

The young man killed last week was considered an expert electrician, and was beginning to make himself known in the field of wireless telegraphy.

Mark Hanna, Jr.

A son was born Sunday night to Mr. and Mrs. Mark Hanna of South Buchanan street.

Miss Pearl Laird of Bedford, Ia., arrived Wednesday and is the guest of Mrs. W. A. Smith and daughter, Miss Ola Smith of East Fourth street.

WON ONE, LOST TWO

COMETS WON FROM FALLS CITY IN TUESDAY MORNING'S GAME.

AT OTHER LEAGUE GAMES

Double-Headers at Other Towns Tuesday Resulted in Victories for Auburn and Clarinda.

It was an even break with the holiday games, the Comets racing off with the morning game 12 to 4 and losing the afternoon game 6 to 2.

The great Woods was trimmed for fifteen hits Tuesday morning, and his teammates gave him a downhill shove with five errors. Jans, twirling for the locals, made good his reputation of the other day, kept his smile and his head, and allowed eight scattered hits. Without Sackett's error and Cook's fall it would have been a shutout game. The Comets started on the jump and scored once in each of the first two rounds. Sackett poled a hot drive to Steno in left, who dropped it. Sacrifices by Dietz and Wintz put Sackett on third, and he scored a moment later when McNeil failed to throw Cook out at first. Walsh and DeCamp found the bases, but Bacom chopped for the first round. Black started the second, sticking to first on Forrester's error. Jans beat out an infield grounder, and Sackett advanced both runners with a sacrifice. Dietz sacrificed, squeezing Black in and Wintz whiffed for the finish.

The fourth was passed up, but a swatting fifth put four more tallies over for the locals. Sackett beat out a bunt and was sacrificed to second by Dietz, stole third and scored when a pitched ball struck the plate, bounding high in the air. Wintz reached first by the error line, and Beltz, who ran for him, stole second and came home on Cook's single. Walsh singled and DeCamp took a fielder's choice when Cook was caught at the plate. Singles by Bacom and Black put two more over, and Jans whiffed out for the finish.

Falls City started around in the sixth when Sackett fumbled Tappan's grounder. McCabe was out from Wintz to Bacom and Forrester scored Tappan with a single. A fast double from Walsh to Sackett to Bacom on Trainor's grounde closed the doors. The locals' half started with a single by Sackett. Dietz's sacrifice and Wintz's single put Sackett on third, and a double steal scored Sackett. Cook and Walsh furnished the necessary two outs.

The lucky seventh brought five scores for the Comets, errors helping in the registering process. DeCamp was put out on the start from Trainor to Forrester. Bacom held down first on McNeil's error, and scored when Black banged a two-bagger into right. Jans and Sackett both singled, scoring Black. Dietz took a fielder's choice and Jans scored on Tappan's error. Dietz made a sudden dash for second and Woods threw the ball away, and while the pill was rolling along in center field Sackett and Dietz raced home. Wintz was cut off at first and Cook chopped out.

It was one, two three in the eighth, and then came the unlucky ninth for the Comets. Forrester singled to left and Trainor drew a pass. McNeil skied to Cook and Drum did the same to Walsh. Fraser then lifted a long high one to right and Cook slipped and fell just as he was ready to make the catch, letting two scores in. A single by Woods brought Fraser in, and Steno brought the finish with an easy grounder to Sackett.

In the afternoon game a check was put on scores, hits and errors. The locals were outhit and outfielded by one point each, the hits being 9 and 8, the errors 2 and 1.

Beltz was on the slab for Maryville and pitched good ball, errors and another fall by Cook being responsible for Falls City's victory.

The first two innings went by in a hurry. An unlucky third put Falls City's first three counters across. Drumm singled and Fraser stuck on first when Wintz held the ball too long ,hesitating where to make the play. Baird scored Drumm with a single. Steno was cut off at first and Tappan fanned. McCabe lifted the ball into right and Cook's fall let in two runs. Forrester was struck out. Cook's fall hurt him and Griffin took his place.

The fourth inning was another draw, and a knotted fifth gave each side one tally. Tappan poled a three-bagger into left as a starter for Falls City. McCabe was thrown out at first and Tappan scored on Forrester's long fly to Black. Trainor was thrown out from Sackett to Bacom.

Black started off with a two-bagger and was followed by Beltz with a single. Sackett roled a grounder toward third, but Black scored when Fraser dropped the throw. Sackett was forced out at second on Dietz, grounder, Beltz was caught off third and Wintz fanned. With two down in the sixth DeCamp drew a pass and scored on Bacom's two-bagger to right. Black smashed a screamer far into right and was robbed of a probable home run by McCabe's sensational catch.

Falls City put two more over in the seventh. Steno was walked and advanced on Tappan's sacrifice. Wintz's error put McCabe on first and Beltz hit Forrester, filling the bases. Trainor's grounder forced Steno out at the plate. McNeil poked a single into left for two scores and Drumm fanned.

The rest of the game was fought to an even break with no scoring.

SUCCUMBED TO HEAT

THE MOTHER OF DR. TODD DIED TUESDAY NIGHT.

SHE WAS 88 YEARS OLD

Body Was Taken to Old Home in Carthage, Ill., for Burial, Where She Had Lived Fifty Years.

Mrs. Margaret A. Todd, the aged mother of Dr. J. H. Todd, died Tuesday night at 10 o'clock, at the Todd home, on 201 West Third street. Mrs. Todd had been an invalid for a year past from the infirmities of old age and the excessive heat of Tuesday was the immediate cause of her death.

The body was taken to Carthage, Ill., Wednesday, accompanied by a daughter of the deceased, Mrs. Melissa Pace of Carthage, Ill., where the funeral services will be held Thursday. Mrs. Todd had been a resident of Carthage for fifty years previous to coming to Maryville a year and one month ago. Her daughter, Mrs. Pace, accompanied her, and had been her constant companion since.

Mrs. Todd was born in Madison county, Kentucky, in 1823, and she was 88 years and 28 days old at the time of her death. Fifty years ago she and her husband moved to Carthage, Ill., where Mr. Todd's death occurred eight years ago. He was a soldier of the civil war. They had nine children, five of whom are living—John Todd of Carthage, Dr. R. H. Todd of Portland, Ore.; W. I. Todd of Stroud, Okla.; Dr. J. H. Todd of Maryville and Mrs. Melissa Pace of Carthage.

Mrs. Todd had been a member of the Christian church for more than a half century, and she was a devoted Christian woman.

MRS. COMER BURIED AT RAVENWOOD

Mrs. Comer, aged 57 years, the mother of Mrs. Asbury Shelton, died the morning of the Fourth, at the Shelton home, southwest of Maryville, after an illness of one year and a half. Mr. Shelton is employed by George W. Stafford, who is superintendent of the farm of Mrs. Charles T. Bell. Mrs. Comer made her home with her daughter and her husband.

The funeral services were held at Ravenwood Wednesday morning, the former home of the deceased.

Guests at Colvin Home.

Dr. F. G. Smith and Harry Barton of Bethany came to Maryville the Fourth in Dr. Smith's touring car and are guests at the home of Mr. and Mrs. James Colvin of West Third street. The visitors will return to Bethany Wednesday evening, accompanied by Mrs. Alpha Bishop.

Mrs. John Cook and little sons, Earl and Harold, returned to her home near Pickering Wednesday from a short visit with her mother, Mrs. James M. West.

The Weather

Generally fair tonight and Thursday; cooler Thursday.

Advice about your eyes.

When reading have the light fall on the page over the left shoulder. Never try to read with insufficient light. Do not continue reading or sewing after your eyes have begun to tire. Never use eye salves or washes except upon the advice of a physician. If after you heed these warnings your eyes even still give you trouble, visit our optical department, and get a properly fitted pair of glasses.

John Herren went to Bedford Wednesday on business.

Mrs. Erane Nelson of Ravenwood, who has been visiting the family of her brother, Robinson Craven, and David T. Stewart, went to Pickering Wednesday to visit another brother, James Craven, and family.

WON ONE, LOST TWO

(Continued from page 1.)

Two-base hits, Bacom, Black, Forrester. Sacrifice hits, Forrester. Stolen bases, McCabe, McNeil, Drumm, Black. Struck out, by Baird 6, by Beltz 10. Left on bases, Falls City 6, Maryville 9. Double play, Tappan to Trainor to Forrester. Bases on balls, off Baird 4, off Beltz 2. Time, 2:00. Umpire, Sage.

Monday's Game.

After struggling uselessly for seven innings to win, in spite of the umpire's decisions, and with Falls City five runs in the lead, the Comets waded into the ball in the eighth for three three-baggers, a double and a single, netting four runs, with two down. Here Finch was taken out and Woods finished the inning by striking out Southward. Each side registered one more in the ninth, and Maryville lost her third game via the umpire route 9 to 8.

The slugging was heavy on both sides, Falls City leading with fifteen hits to the Comets' fourteen. Wise, who started the game for Maryville, was replaced by Southward in the third.

The trouble all started in the third, when Sage called McCabe safe on second. Bulger raised an awful howl and was ordered to the bench. The decision looked so rank that Dietz would not stand for Walsh being benched and made Sage allow him to stay in the game. From then on it was just one big battle with the umps. Score:

	R.	H.	E.
Falls City	9	14	3
Maryville	8	12	3

Batteries—Finch, Woods and Vanderhill; Wise, Southward and Dietz. Umpire—Sage.

Notes.

Sage certainly "got in bad" Monday and there were dark clouds on his horizon. He came back Tuesday and did good work, and the fans showed by their friendly reception of him that the furor of the day before was only temporary.

Sackett and Dietz pulled off some grand team work with the stick in Tuesday morning's game. Four times up Sackett hit safe and was followed with a perfect sacrifice by Dietz each time. Sackett scored each time, too. For the fifth time at bat Sackett sacrificed, and Dietz stuck on first with a fielder's choice.

Falls City did some tall hit robbing, notably McCabe's catch of Black's fly and Trainor's stab of Walsh's hot drive through second.

We see Johnson got stung for ten hits and defeat in Tuesday's afternoon game at Shenandoah. He is getting his now. (We might say Woods got his, too.)

The Maryville base ball management are little short of funds. Another subscription will probably have to be taken for the team to finish the season. Nearly every other team in the league have raised more money.

The attendance at the ball games on the Fourth were the largest this season. In the morning there was an attendance of 400, and in the afternoon the crowd was estimated at 800.

Auburn Gets Both.

Auburn, Neb., July 5.—Auburn took both games of the double-header the Fourth, winning both morning and afternoon. Score morning game:

	R.	H.	E.
Auburn	9	11	3
Nebraska City	7	9	4

Batteries—Kirsch and Musser; Miller, Collier and Pinkerton. Umpires—Kratsberg and Bradley.

Afternoon game:

	R.	H.	E.
Auburn	10	14	2
Nebraska City	7	9	3

Batteries—Zanderman and Musser; Hayes and Pinkerton.

Clarinda Wins Both.

Shenandoah, Ia., July 5.—Clarinda stopped her losing streak the Fourth by taking both morning and evening games from Shenandoah before the biggest crowd of the season. Score morning game:

	R.	H.	E.
Shenandoah	2	7	2
Clarinda	6	9	2

Batteries—Corcoran and Castle; Macon and Harmony.

Afternoon game:

	R.	H.	E.
Shenandoah	5	2	4
Clarinda	7	10	2

Batteries—Johnson and Castle; Smithson and Harmony. Umpire—Kissane.

Other Monday's Games.

Shenandoah, Ia., July 5.—Shenandoah continued its winning streak Monday by taking the first game of the series from Clarinda. Score:

	R.	H.	E.
Shenandoah	9	12	2
Clarinda	5	11	2

Batteries—Duran and Castle; Reynolds, Burch and Harmony. Umpire—Kissane.

Auburn, Neb., July 5.—Auburn took the first game of the series from Nebraska City Monday. Herman, catching for Nebraska City, broke his thumb and had to retire. Score:

	R.	H.	E.
Auburn	6	9	2
Nebraska City	4	8	4

Batteries—Auburn, Hirsch and Musser; Williford, Wells and Herman and Pinkerton. Umpires, Kratsberg and Bradley.

Stop That Dandruff

Before it kills your hair. You know dandruff is a germ disease and it leads slowly and surely to baldness, and there is only one way to cure dandruff and that is to kill the germ that causes the trouble.

Greasy salves will never do this. Zemo and Zemo Soap kills the germ and are guaranteed to cure dandruff, itching scalp and all other germ diseases of the skin and scalp.

Zemo and Zemo Soap are the true scientific remedies for these afflictions. To show our faith in Zemo and Zemo Soap we have instructed the druggist selling them to refund your money if you are not satisfied with the results from the very first bottle and the first cake of soap.

We can afford to make this offer because one bottle of Zemo and one cake of soap are sufficient to show their healing qualities, and if used according to directions they will effect a permanent cure.

Sold by druggists everywhere and in Maryville by Charles Love Drug company.

Miss Clara Kalterman went to her home in Kansas City Tuesday evening for a several days' visit with her mother, Mrs. Barbara Kalterman, and her brother, Henry Kalterman.

Homer Wallace of Holton, Kan., is visiting in the city with his mother, Mrs. John L. Wallace, and his brothers, John A., George and Frank Wallace.

Miss Ora McMillan of Red Oak, Ia., visited in the city the Fourth with her sister, Miss Audrey McMillan.

Cadillac

Breaks All Records For Low Cost of Up Keep!

Seventy-five Cadillac "30" owners in New York drive their cars 398,884 miles, sixteen times around the world, at a total cost for repairs of $53.27, an average of 71c per car. Forty-six of the owners had no repair cost whatever. Not a single penny. The highest repair charge was $10.00, the car going 9,000 miles.

Eleven other expenses 25 to 50 cents each. The average gasoline consumption for the touring car was fifteen miles to the gallon, and one quart of oil for each 175 miles traveled.

The Demitonneau made 17½ miles to the gallon, and 200 miles to the quart of oil. This amazing record revealed by statistics, compiled last year from the signed statements of 75 Cadillac "30" owners in New York City and vicinity.

Fifty Cars Average Cent a Month

Fifty Cadillac "30" owners in Dayton, Ohio, territory, drive an aggregate of 168,580 miles at a cost for repairs of $5.70, averaging 3,371 miles per car—12 cents each for repairs.

Of these 50 Cadillac owners, 45 had no repairs, and only five had any repair expense whatever.

Of these five, the largest repair bill was that of A. G. RUNDLE of Piqua, Ohio, who paid out $2.60, and his car traveled 20,000 miles.

The next highest was that of C. F. Kettering of Dayton, who spent $1.50.

Next, W. H. Nye of Ironton, 75 cents.

Next, G. W. Rahn of Greenville, 50 cents, and the last was Matt Marr of Miamisburg, Ohio, whose repair expense was 35 cents.

The average gasoline consumption was 17 miles to the gallon for the touring car, and 20 miles for the Demi Tonneau.

Theo. Sturm (brother of Nick Sturm, of Maryville, Mo.), who lives at Oklahoma City, Okla., but now visiting in Maryville, Mo., has driven his Cadillac car sixteen thousand miles without one cent of up-keep.

Experience of Home Men

However, some will say and you may think, "Not so, just advertising." So we will tell you about your fellow townsmen and neighbors' expense bills.

Geo. L. Wilfley, of the Maryville National Bank, has driven 2,375 miles with 30 cents up-keep—for a grease cup knocked off accidentally.

S. G. Gillam of Gillam, Bellows & Pierce, has driven 1,518 miles with no repair expense.

Dr. Ryan of Quitman has driven 1,430 miles with no repair expense.

Mr. Sam Corrough of Arkoe has driven about 500 miles with no up-keep.

F. M. Townsend of the Townsend Grocery Co., 370 miles; no up-keep.

J. E. Clary of Sheridan, about 800 miles; no up-keep.

Here are six home men, five of them inexperienced, who have driven about 7,000 miles at a total up-keep expense of 30 cents or 4 cents to the thousand miles.

If you are from Missouri, ask the men who own the cars.

Those who are contemplating the purchase of an automobile should compare the up-keep expense of the Cadillac with other cars and then see us at Robey's garage.

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy, or money will be refunded. Having tried it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results, pleasant to take and does not gripe. It is especially good for all those who can not stand a violent purgative.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, B. 509 Caldwell building, Monticello, Ill.

TOLLKEEPER SLAIN; BODY THROWN IN RIVER

H. E. Fallers Attacked on Omaha-Council Bluffs Bridge.

Omaha, July 5.—H. E. Fallers, tollkeeper on the Douglas street bridge, was beaten to death while on duty some time during the night and his body thrown into the Missouri river.

The mystery of the tollkeeper's disappearance was solved when Detectives Heitfeld and Donohue of the Omaha police force discovered a clot of blood on the bridge railing near the tollhouse. Blood clots were also found on the cables beneath the bridge, where Fallers' body evidently hung suspended a moment before it fell into the river.

Launches have been sent south to try to find Fallers' body. The river banks on both sides are being searched.

The police of Council Bluffs and Omaha are now searching for three negroes who were seen skulking behind some tar barrels on the bridge shortly before the crime. They had been refused a trip across the bridge on the street car a few minutes before.

CAMORRA JURY MAY STRIKE

Members Are Demanding Higher Pay Because of Length of Trial.

Viterbo, Italy, July 5.—The jury before whom the Camorrists are being tried for the murder of Gennaro Cuoccolo and Signora Cuoccolo threatened to go on a strike and it was noon before they could be induced to take their seats and permit the trial to proceed.

A bill now before the chamber of deputies provides a special indemnity for the jurors serving in this capacity, but the extra allowance is made payable only from July 1. The trial began March 11 and the jurors demand that the extra pay date from the opening of the proceedings. To enforce their wishes they began obstructive tactics by absenting themselves for several hours and threatening to remain away altogether unless their wishes were granted.

TAFT AT BANQUET AT INDIANAPOLIS

President Delivers Address on Reciprocity.

CITY IS GAILY DECORATED.

Executive Reviews Parade in Monument Place and Spends Some Time Watching Athletic Contests—Leaves for Washington.

Indianapolis, July 5.—After spending a most strenuous day, President Taft attended the Marion club banquet and made the principal speech of the trip. Indianapolis was gaily decorated with the presidential and American flags. The president reviewed a parade, watched many athletic contests at the ball park and was escorted to the fair grounds by railway trainmen to watch a head-on collision of two locomotives.

President Taft chose "Reciprocity" as the subject of his banquet address. In the address the president defended his Republicanism in making the agreement with Canada.

He showed that reciprocity as presented to congress by him differed, if at all, only slightly from reciprocity as advocated by James G. Blaine and former President McKinley. He declared that the contention of the opponents of his reciprocity plan that the doctrine is un-Republican because it affects articles that are competitive and not merely non-competitive articles, is not sound.

Replying to the contention that reciprocity would be made wholly at the expense of the farmer and in the interest of the wage earner of the large cities, Mr. Taft declared that in his judgment "the reciprocity agreement will not greatly reduce the cost of living, if at all."

The complaint that the farmers would suffer by the agreement, the president said, when analyzed, would be found to be an argument that the admission of Canadian wheat free of duty would lower the price of wheat raised in the United States 10 cents a bushel.

Going direct from the banquet, where 600 plates were placed and which was attended by leaders of the Republican party from all over the state, the president and his party boarded a Pennsylvania train for Washington.

LISTEN TO LORIMER CASE

Senators Wish to Get Impressions of Testimony From First Hand.

Washington, July 5.—Many senators not engaged in the inquiry have expressed a desire to observe the demeanor of witnesses before the senate committee charged with the investigation of the election of William Lorimer to the United States senate. Their desire to watch the witnesses, particularly the confessed bribe-takers, who are expected to be examined after the committee reconvenes, eight days from now, is with a view to informing themselves in connection with the case when it comes to a vote in the senate. So great promises to be the attendance of these outside senators that a large hearing room will be procured of possible for the committee sessions to replace the present cramped quarters.

It was largely to afford these senators an opportunity of attending the hearings and because of the committee members wanting to remain here in connection with other legislative matters while congress remains in session that the committee decided to continue its hearings in Washington instead of resuming them in Chicago, deferring that trip until probably in August. During the recent sessions the daily attendance has been so great that senators who came to the hearing room late had difficulty in getting good seats.

John H. Marble and J. J. Healy, attorneys for the committee, taking advantage of the recess, are searching for new evidence. Hundreds of letters have been received by the committee investigating new lines of evidence, commenting on the character of witnesses already heard by the committee and giving advice generally. All these communications have been turned over to the attorneys and anything that promises to be valuable is being investigated.

MAYOR GRATEFUL TO GEORGE

Dublin Executive Will Welcome King Even If Municipality Refuses.

Dublin, July 5.—Lord Mayor Farrell said in an interview:

"If the Dublin corporation at its meeting today refuses to vote an address of welcome to King George and Queen Mary, I will go myself to welcome the king and thank him as a Catholic for cutting out the offensive words of the coronation oath."

A meeting was held at the entrance to the mansion house to protest against the adoption of any address of welcome by the corporation.

The Great Rush to Alberta, Canada

(Taken from Spokane Spokesman)

"Since I was at Nome, Alaska, I have seen nothing resembling it until I was in Calgary, Alberta, the other day," said Irving E. Slater of Los Angeles, Cal., brother of Roy L. Slater of this city. "The town is so crowded with land investors and home seekers that you couldn't bite your way into a hotel. Alberta and the Western Canadian Provinces will supply the world with wheat and cattle in time to come," said Mr. Fairbain, "In making this statement I speak from the standpoint of one who is in a position to know what the future has in store for this country as a cattle and wheat raising section. I came here with the intention of purchasing a tract for my son. I think that the fact that I purchased 4000 acres of land here is the best evidence of my faith in the country and nothing I might say could be more convincing."

PURD WRIGHT AFTER MAGAZINE TRUST

Purd B. Wright, librarian of the public library at Kansas City, is quoted in the Kansas City Star in regard to the magazine trust.

Mr Wright spent a day in Maryville before our city library was realized and gave much valuable advice to the promoters of our library. What he says about the proposed action against the alleged "magazine trust" is spoken of as follows in the Star:

One of the librarians to whom credit is due for starting the government action for the dissolution of the periodical clearing house, known as the "magazine trust," is Purd B. Wright, librarian at the public library. Mr. Wright was librarian at St. Joseph when the evidence against the clearing house was obtained a little more than a year ago. He worked with librarians at Cleveland, Baltimore and Grand Rapids in obtaining the evidence.

"The clearing house made the prices of periodicals arbitrarily, and from 10 to 20 per cent higher," Mr. Wright said. "Agents who cut prices to the libraries lost their positions, and the libraries which received the cut prices found that their money was returned to them and they were dropped from the publishers' list.

"The evidence we obtained was chiefly agents' agreements. These finally went up to the attorney general of the United States through the librarian and district attorney of Cleveland. If the legal department of the United States finds that the combination is an unlawful combination in restraint of trade, then the libraries will be able to buy in a free competing field again."

Miss Margaret Schaub of St. Joseph, who has been visiting a few days with the family of her uncle, J. H. Schaub, on West Seventh street, returned to her home Monday evening.

Miss Ethel Ulmer and Miss Bertha Seals went to Amazonia Monday evening to visit Miss Ethel's aunt, Mrs. Margaret Cain.

MEN OLD AT 35.

One Million Baldheads Who Thought Dandruff Wasn't Dangerous.

In the United States and Canada today there are nearly a million men who at 35 can be put in the baldhead class.

When these men had thick, vigorous hair, dandruff made its appearance.

That was the time to attack the enemy of mankind—the persistent little devil called a dandruff microbe, or germ that burrows deep down into the hair root and saps it of the vitality that is so essential to the hair.

Young men or any man, for that matter, beware of the dandruff germ; it is not a theory, but an actual condition that confronts you. That dandruff is caused by a germ is proven beyond question. That a germ destroys the hair root is today a matter of common knowledge.

The Koch Pharmacy has the remedy that kills the dandruff germs. They guarantee it to eradicate dandruff, stop falling hair and itching scalp in two weeks or money back. It is called Parisian Sage and can be obtained at druggists in every town in America—ask them for it. The girl with the Auburn hair is on every bottle of Parisian Sage.

SAFE AND SANE CELEBRATION

Fourth is Observed in Many Cities Without Noise.

NEW YORK HALL CENTENNIAL.

Mayor Gaynor Speaks at Celebration of Anniversary of Building—Postmaster General Hitchcock Is Only Member of Cabinet in Washington.

New York, July 5.—The local ordinances tamed every element of the old time Fourth of July celebration here, except the weather, and except for sizzling heat New York celebrated the day under conditions "safe and sane."

The principal feature of the celebration was the exercises at the city hall in commemoration of the centennial of that building. There were addresses by Mayor Gaynor and others. Joseph Garibaldi, a grandson of the Italian liberator, who gained distinction in the Mexican insurrection, was the chief figure in a celebration held by the residents around Washington square.

No Noise in Kansas City.

Kansas City, July 5.—For the first time in its history Kansas City celebrated a "sane" Fourth. Fireworks and noise making is forbidden. Water sports and athletics were resorted to as a means of observance of the day.

In Kansas City, Kan., the old style Fourth was observed. Several accidents were reported and one baby, frightened into spasms by a cannon cracker, was dying. A sane Fourth was observed in most Kansas and Oklahoma towns.

Hundred Thousand Sing America.

Denver, July 5.—"My Country, 'Tis of Thee," sung or hummed by more than 100,000 persons marked the celebration of a sane Fourth in Denver. The booming of a great bell in the tower of a downtown department store gave the signal for the beginning of a military and industrial parade. The crowds packing the streets, in the parks, street cars and the unfortunates in offices and stores joined in the song of the republic.

Historical Tableaux in Chicago.

Chicago, July 5.—Chicago celebrated its second "sane" Fourth with an Independence day parade consisting of historical tableaux. The substitution of this sort of entertainment for the cannon cracker, toy pistol and fireworks in the celebration of Independence day is now an established custom here. There was a marked decrease in the number of fires and accidents compared with a year ago.

Washington Without Fireworks.

Washington, July 5.—This city celebrated Independence day without a firecracker or a toy pistol, the law prohibiting the sale of explosives being rigidly enforced. Official Washington was deserted. Postmaster General Hitchcock was left "sitting on the lid," the only cabinet officer in town.

Big Celebration in Manila.

Manila, July 5.—There was an ideal celebration of Independence day here, fine weather contributing its share. The Filipinos joined with the American residents in the public exercises. Fifty thousand persons turned out.

94 DEAD: 585 OVERCOME

Heat Forces Mills and Factories to Close Their Doors.

Chicago, July 5.—Revised lists o deaths caused directly by heat and indirectly by suicide and drowning of bathers show ninety-four deaths in the United States and 585 prostrations.

Suffering from heat is reported from every portion of the United States, and even up in Canada the people in the large cities feel the hot weather the most acutely.

In many places mills and factories have been forced to close their doors, employees being unable to work in the heat, and at Marietta, O., the heat was intense enough to blow up a nitroglycerine plant, slightly injuring three men.

Sixteen dead and a score of prostrations is the record up to date of the heat wave in Cleveland, which reached a maximum temperature of 106 degrees.

Fourth Day of Torrid Wave.

Washington, July 5.—The fourth day of the heat wave spread like a hot blanket from New England to western Kansas, and brought no hope of marked relief. A slight barometric depression, which the weather sharps say is now forming in the northwest, is the only hope now held out. Unless it grows to a full-fledged rain storm, there is no immediate prospect of rescue from the abnormal temperature and oppressive humidity, which have collected a record breaking toll of death and suffering.

Orders Harrison Home Sold.

Indianapolis, July 5.—Former President Benjamin Harrison's homestead, on North Delaware street, is to be sold. The order was included in Judge Collier's final decree, settling the partition brought by Russell B. Harrison against the other children. This property will not be sold for less than $30,000.

WOLGAST WINS IN 13TH ROUND

Champion Retains Title by Knocking Out Moran.

FAST, EVEN FIGHT UNTIL END.

Honors Are Well Divided Until Champion Sends a Right Hand Uppercut to Stomach, Following With Two Similar Effective Blows.

San Francisco, July 5.—Champion Ad Wolgast, fighting true to form, retained his title by knocking out Owen Moran of Birmingham, England, in the thirteenth round of their scheduled twenty-round battle in the Eighth street open air arena.

Wolgast knocked out the Englishman in the first minute of fighting in this round. The lightweights had been going at a terrific pace up to the very end, with the honors first with one and then with the other.

Wolgast, rushing the Britisher into a neutral corner in the thirteenth, ripped a righthand uppercut into the stomach at close quarters, following with two similar punches that sent the game little Englishman to the canvas, helpless and gasping while the arm of the referee tolled off the ten seconds.

JOY RIDERS IN AN AEROPLANE

Mechanic Smashes Rex Smith's Flying Machine, Then Disappears.

Washington, July 5.—Joy riding has found its way into aviation, as a smashed machine at College park testifies.

At the conclusion of several successful demonstrations and when those in authority had left the grounds, a mechanic employed by Rex Smith, a local aviator, hauled Smith's machine from his hangar.

"Watch me show up the soldiers," the mechanic remarked, not abashed by performances of the officers of the army, who are practicing aviation at the field.

The joy rider started. He had barely left the ground when his inexperience brought the machine crashing to earth. He emerged from the wreckage slightly scratched. He has not been seen since.

FUSE PRESIDENT GUILTY

Sentence to Be Passed on Frank G. Jones of Muskegon.

Grand Rapids, Mich., July 5.—Frank G. Jones, president of the defunct American Electric Fuse company of Muskegon, changed his plea to guilty in the superior court to the charge of fraud in connection with the transactions of the concern. Judge Stuart will pass sentence tomorrow.

Charles L. Johnson, the Chicago banker under arrest for alleged complicity in the fraudulent transactions of the company, of which he was treasurer, demanded an examindtion when arraigned in the police court.

Johnson said he had not been given an opportunity to secure a lawyer and wanted one before he went to trial. Judge Hess fixed the amount of the bond at $7,000.

EDDY WILL SUIT PROCEEDS

Court Refuses Injunction to Restrain George W. Glover's Contest.

Concord, N. H., July 5.—In the superior court Chief Justice Wallace denied the motion for an injunction to restrain George W. Glover of Lead, S. D., from proceeding with the suit brought to determine the legality of the residuary clauses of the will of the late Mary Baker G. Eddy.

An exception was taken which will be transferred to the supreme court, to which the suit is to go on the demurrer filed by the defense.

The plaintiffs were given leave to file further amendments until July 15 and the defense until July 17 to change their demurrer to meet conditions then existing.

FIFTY MORE POSTAL BANKS

Postmaster General Says Opposition Has Almost Disappeared.

Washington, July 5.—In announcing the addition of fifty more postal savings depositories, situated in thirty-two states, Postmaster General Hitchcock noted that the opposition of banking institutions to the establishment of these depositories had almost disappeared. Applications for authority to receive postal funds are being received from banks at the rate of about forty a day.

Safes Blown at Windsor.

Santa Rosa, Cal., July 5.—Blowing in quick succession the safes of the postoffice and the merchandise store of Frank J Pool in the town of Windsor, a gang of cracksmen made what is believed to have been heavy haul and escaped after an exchange of shots with a policeman and several citizens.

Habeas Corpus Writ Refused.

San Francisco, July 5.—Patrick Calhoun, Tierney L. Ford, Thornwell Mullaly and William M. Abbott, the United Railroad officials indicted on the charge of bribing city officials, were denied release on habeas corpus proceedings by the state supreme court.

SAGE TEA WILL DARKEN THE HAIR

Restore Faded and Gray Hair to Natural Color—Dandruff Quickly Removed.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect.

Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.

The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

The Best Advice on Lumber Costs the Least Money

and when we say to prospective homebuilders that "now's the time to build" we are offering you really sound advice. No matter what you have heard about cheaper lumber, take it from us that you're on the safe side if you build right now. We haven't been in the lumber business for 6 years for nothing—we know a thing or two and we're willing to admit you do too, but in the face of all this talk nowadays about timber conservation we believe you'll agree that lumber has a fixed value and that by delaying the building of your new home you will gain nothing but inconvenience.

We believe we can convince you the above is good advice—let's talk it over,

DAILY DEMOCRAT-FORUM

(Successor to the Maryville Republican)

VOLUME 2. MARYVILLE, MISSOURI, WEDNESDAY, JULY 5, 1911. NO. 27.

7500 PEOPLE HERE

CELEBRATION WAS A SUCCESS IN POINT OF NUMBERS.

HIGHWAY WAS DEDICATED

Exercises at Normal Grounds Were Well Attended—Base Ball Drew Big Crowds.

The Fourth of July celebration here Tuesday was well attended and was a success. While the weather was 107 in the afternoon, the people that were in attendance didn't seem to mind the hot weather.

The Fourth this year was more quietly and sanely observed than ever before in the history of the day. No serious accidents happened that marred the day. The use of fireworks was reduced to the minimum.

The crowd that attended the celebration is estimated at 7,500. A large crowd was present at the ball game in the afternoon between Falls City and the Comets at the ball park, besides the large crowd that was in Normal park and in the grandstand at the Normal athletic grounds, where the attractions were held in the afternoon. The grandstand on the Normal grounds was packed and people were standing around near the stand.

While the auto parade was not as large as expected, many out-of-town cars were in line. The first prize in the parade went to L. W. James of Elmo, the second to James Kavanaugh of Graham, and the third to S. G. Massie of near Hopkins.

Quite a feature of the celebration was the basket dinner held in the Normal park. Many of the visitors had their dinners there. Some little complaint was made by them that there was not the proper conveniences for their comfort, as there were no seats and very little ice water.

Before the basket dinner exercises were held at the Normal grandstand. An address was delivered by Dr. J. S. Ford, music was given by the Conservatory Glee club, a reading by Prof. Harry Miller, a short address by M. E. Ford, and a declamation by James Farrar was the program.

The work of LaGrecia and Norworth, the two Orpheum circuit stars, pleased the large crowd.

In the evening the celebration closed with band concerts by the Maryville and Silver City, Ia., bands, and an attraction by LaGrecia and Norworth.

In all, the celebration was a good one and the people were well satisfied. A much larger crowd than was thought for was in attendance, and outside of a few arrests for drunkenness nothing occurred to mar the day.

CUFF BOUGHT THE CRYSTAL AIRDOME

W. P. Cuff has bought of the Crystal Theater company the airdome on East Third street and has leased the grounds. For the present moving pictures will be on, commencing with Friday evening. The admission fee will be 5 cents.

Mr. Cuff was field manager of the Western Film Exchange company and has been connected with the Columbia theater in Kansas City, Kan. He intends to have independent pictures, and to have four films a night.

The airdome will be called the Starlight Airdome.

Mrs. Nicholas Sowder of Pickering spent the Fourth in Maryville with her son, Prof. N. N. Sowder, and wife at the home of Mrs. R. H. Perry.

Miss Jessie Fannon, who has been the guest of Mr. and Mrs. Robert Brown, at 901 North Walnut street, since Friday, returned to her home Wednesday morning.

"SAINTS HIGHWAY" DEDICATED ON FOURTH

The dedication exercises for the Saints Highway, which has been recently established, took place at 4 o'clock yesterday afternoon at the corner of First and Main streets, near Holmes & Co.'s grocery store. Postmaster S. R. Beech, in a neat speech, delivered the dedication address, while Miss Brownie Toel christened the highway, a bottle of wine being used.

The following is the closing part of Mr. Beech's speech:

SAINTS HIGHWAY.

You're glad your livin', and so am I,
To celebrate this Fourth of July;
The business that we have in hand
Is monstrous noble, fine and grand.

The dedication of this day
Was the greatest thing of all,
But to dedicate this Saints Highway
Should not be figured small.

Mr. Roseberry said, "Since you're not dead,
You must come out and play
With sporty boys that make the noise
Along the Saints Highway.

He said, "At 3 he'd sure see
That a car was at the P. O.;
That the weather was cool and you needed a fool,
And therefore I must go."

This pleasure is the best by far
That ever struck me yet,
For I'm too poor to own a car
And too wise to run in debt.

I get my comfort, lose my dread,
From what an Irishman once said:
"The rich can ride in chases
The poor can walk, be Jasus."

When the auto came the farmer kicked,
And threatened to load his gun;
Horses scared, women shrieked,
And dogs had most of the fun.

But here it is, and here to stay,
And prance along this great highway.
The farmer, too, just down the lane,
Bought one for the kids and Mariar Jane.

You toot your horn at slight expense;
The other fellow climbs the fence
And thus his life, perhaps secures,
While the right of way is clearly yours.

If Paul had had an auto,
He'd escaped his foes in a trice;
And while Jonah swallowed whales
He could have gone to Ninevah twice.

I hear this highway has three parts,
With Maryville for the center,
And other roads for common carts,
For footmen and the renter.

And while we'd like to christen all,
And thus prolong the run,
We'd better hie to the base ball,
And do this all in one.

So, Beal, you come here and stay,
And pick up the bits of glass,
For now we christen the Saints Highway
With this jug of peppersas.

BENEDICTION.

And now on the farmer and Lord depend
To keep it in running gear;
So you needn't ditch or climb any poles
Till the end of another year.

MARTIN TO PRACTICE LAW ALONE IN ST. JOE

Members of the firm of Allen, Gabbert, Mitchell & Martin of St. Joseph, of which B. R. Martin, formerly of this city, is a member, have agreed to dissolve, and the dissolution will become effective on or before August 1. In explanation of the dissolution, Mr. Martin said that the firm is too large and unwieldy. He added that both personally and in a professional way the associations have been altogether pleasant.

Mr. Martin will practice law alone, and has leased office rooms in the Corby building in St. Joseph. He will also have an office in Maryville.

Miss Winifred Remley, who has been the guest of Miss Frances Smith, a daughter of Mr. and Mrs. C. Q. Smith, returned to her home in Columbia Wednesday.

Mrs. W. G. Hine of Savannah was the guest of Mrs. Thana Hope and daughter, Miss Fannie Hope, Sunday and Monday. Mr. Hine is a member of the board of regents of the Northwest Normal.

SOME HOT WEATHER

FOR LAST FIVE DAYS IT HAS BEEN OVER THE 100 MARK.

NO SIGNS OF RAIN IN SIGHT

This Afternoon at 3 o'Clock It Was 106½; Monday and Tuesday, 107—Thursday, a Little Cooler.

Heat Record of Five Days.

Saturday, July 1	102
Friday, July 2	103
Monday, July 3	107
Tuesday, July 4	107
Wednesday, July 5	106½

For the last five days Maryville has seen the mercury in the thermometer creep up over the 100 mark. No such weather has been experienced by Maryville before in the history of the weather bureau. While in July, 1901, there were 17 days that averaged around 100, but no five days during that time averaged as much as the five days in July this year.

The weather forecast for today is generally fair tonight and cooler Thursday.

No sign of rain is in sight. The weather bureau at Washington gives out in press reports that rain will be forthcoming within the next few days.

The drouth has done great damage to the crops, and unless rain is had within the next few days still greater damage will be done to the corn crop, which promised a bumper crop this year up to a few weeks ago.

MADE EVEN BREAK

Comets Won Wednesday's Game from Falls City by 8 to 3.

The game was called at 2 this, Wednesday, afternoon at the ball park so as to enable the teams to catch the Burlington afternoon train. Maryville is to play at Falls City Thursday, Friday and Saturday, and next week at Auburn and Nebraska City. The Comets will not be at home until July 17, 18 and 19, when Nebraska City will come here.

Oswalt was on the mound for the Comets this afternoon and Black was behind the bat. The score by innings:

Falls City	0	2	0	0	0	0	0	1	0—3
Maryville	2	0	2	0	1	0	2	1	*—8

HIS SON KILLED IN AUTO ACCIDENT

Starley Miller, the 20-year-old son of Frank W. Miller of Los Angeles, Cal., formerly of Quitman, was killed in an automobile accident a few days ago, while returning in company with his father and mother from a trip into the mountains. A heavy fog had settled as they came down from the mountain, which the searchlight of the automobile could not penetrate, and the car ran into a telegraph pole, throwing the occupants out and killing the young man instantly.

This is the second time Mr. and Mrs. Miller have been deprived of a son in an accident. Their eldest son, two years older than the one killed a few days ago, was killed nineteen years ago. While riding in a wagon in which his father was driving, the boy fell over the sideboards to the road and the wheels passed over his body in a manner as to kill him instantly.

Mr. Miller, the father, will be well remembered by many in the Quitman neighborhood, where he attended school. He is the son of Mrs. W. H. Miller of this city and the half-brother of her daughter, Mrs. Mark A. Turner, whom he visited in Maryville a year ago. He is a retired business man.

The young man killed last week was considered an expert electrician, and was beginning to make himself known in the field of wireless telegraphy.

Mark Hanna, Jr.

A son was born Sunday night to Mr. and Mrs. Mark Hanna of South Buchanan street.

Miss Pearl Laird of Bedford, Ia., arrived Wednesday and is the guest of Mrs. W. A. Smith and daughter, Miss Ola Smith of East Fourth street.

WON ONE, LOST TWO

COMETS WON FROM FALLS CITY IN TUESDAY MORNING'S GAME.

AT OTHER LEAGUE GAMES

Double-Headers at Other Towns Tuesday Resulted in Victories for Auburn and Clarinda.

It was an even break with the holiday games, the Comets racing off with the morning game 12 to 4 and losing the afternoon game 6 to 2.

The great Woods was trimmed for fifteen hits Tuesday morning, and his teammates gave him a downhill shove with five errors. Jans, twirling for the locals, made good his reputation of the other day, kept his smile and his head, and allowed eight scattered hits. Without Sackett's error and Cook's fall it would have been a shutout game. The Comets started on the jump and scored once in each of the first two rounds. Sackett poled a hot drive to Steno in left, who dropped it. Sacrifices by Dietz and Wintz put Sackett on third, and he scored a moment later when McNeil failed to throw Cook out at first. Walsh and DeCamp found the bases, but Bacom chopped for the first round. Black started the second, sticking to first on Forrester's error. Jans beat out an infield grounder, and Sackett advanced both runners with a sacrifice. Dietz sacrificed, squeezing Black in and Wintz whiffed for the finish.

The fourth was passed up, but a swatting fifth put four more tallies over for the locals. Sackett beat out a bunt and was sacrificed to second by Dietz, stole third and scored when a pitched ball struck the plate, bounding high in the air. Wintz reached first by the error line, and Beltz, who ran for him, stole second and came home on Cook's single. Walsh singled and DeCamp took a fielder's choice when Cook was caught at the plate. Singles by Bacom and Black put two more over, and Jans whiffed out for the finish.

Falls City started around in the sixth when Sackett fumbled Tappan's grounder. McCabe was out from Wintz to Bacom and Forrester scored Tappan with a single. A fast double from Walsh to Sackett to Bacom on Trainor's grounde closed the doors. The locals' half started with a single by Sackett. Dietz's sacrifice and Wintz's single put Sackett on third, and a double steal scored Sackett. Cook and Walsh furnished the necessary two outs.

The lucky seventh brought five scores for the Comets, errors helping in the registering process. DeCamp was put out on the start from Trainor to Forrester. Bacom held down first on McNeil's error, and scored when Black banged a two-bagger into right. Jans and Sackett both singled, scoring Black. Dietz took a fielder's choice and Jans scored on Tappan's error. Dietz made a sudden dash for second and Woods threw the ball away, and while the pill was rolling along in center field Sackett and Dietz raced home. Wintz was cut off at first and Cook chopped out.

It was one, two three in the eighth, and then came the unlucky ninth for the Comets. Forrester singled to left and Trainor drew a pass. McNeil skied to Cook and Drum did the same to Walsh. Fraser then lifted a long high one to right and Cook slipped and fell just as he was ready to make the catch, letting two scores in. A single by Woods brought Fraser in, and Steno brought the finish with an easy grounder to Sackett.

In the afternoon game a check was put on scores, hits and errors. The locals were outhit and outfielded by one point each, the hits being 9 and 8, the errors 2 and 1.

Beltz was on the slab for Maryville and pitched good ball, errors and another fall by Cook being responsible for Falls City's victory.

The first two innings went by in a hurry. An unlucky third put Falls City's first three counters across. Drumm singled and Fraser stuck on first when Wintz held the ball too long ,hesitating where to make the play. Baird scored Drumm with a single. Steno was cut off at first and Tappan fanned. McCabe lifted the ball into right and Cook's fall let in two runs. Forrester was struck out. Cook's fall hurt him and Griffin took his place.

The fourth inning was another draw, and a knotted fifth gave each side one tally. Tappan poled a three-bagger into left as a starter for Falls City. McCabe was thrown out at first and Tappan scored on Forrester's long fly to Black. Trainor was thrown out from Sackett to Bacom.

Black started off with a two-bagger and was followed by Beltz with a single. Sackett roled a grounder toward third, but Black scored when Fraser dropped the throw. Sackett was forced out at second on Dietz, grounder, Beltz was caught off third and Wintz fanned. With two down in the sixth DeCamp drew a pass and scored on Bacom's two-bagger to right. Black smashed a screamer far into right and was robbed of a probable home run by McCabe's sensational catch.

Falls City put two more over in the seventh. Steno was walked and advanced on Tappan's sacrifice. Wintz's error put McCabe on first and Beltz hit Forrester, filling the bases. Trainor's grounder forced Steno out at the plate. McNeil poked a single into left for two scores and Drumm fanned.

The rest of the game was fought to an even break with no scoring.

SUCCUMBED TO HEAT

THE MOTHER OF DR. TODD DIED TUESDAY NIGHT.

SHE WAS 88 YEARS OLD

Body Was Taken to Old Home in Carthage, Ill., for Burial, Where She Had Lived Fifty Years.

Mrs. Margaret A. Todd, the aged mother of Dr. J. H. Todd, died Tuesday night at 10 o'clock, at the Todd home, on 201 West Third street. Mrs. Todd had been an invalid for a year past from the infirmities of old age and the excessive heat of Tuesday was the immediate cause of her death.

The body was taken to Carthage, Ill., Wednesday, accompanied by a daughter of the deceased, Mrs. Melissa Pace of Carthage, Ill., where the funeral services will be held Thursday. Mrs. Todd had been a resident of Carthage for fifty years previous to coming to Maryville a year and one month ago. Her daughter, Mrs. Pace, accompanied her, and had been her constant companion since.

Mrs. Todd was born in Madison county, Kentucky, in 1823, and she was 88 years and 23 days old at the time of her death. Fifty years ago she and her husband moved to Carthage, Ill., where Mr. Todd's death occurred eight years ago. He was a soldier of the civil war. They had nine children, five of whom are living—John Todd of Carthage, Dr. R. H. Todd of Portland, Ore.; W. I. Todd of Stroud, Okla.; Dr. J. H. Todd of Maryville and Mrs. Melissa Pace of Carthage.

Mrs. Todd had been a member of the Christian church for more than a half century, and she was a devoted Christian woman.

MRS. COMER BURIED AT RAVENWOOD

Mrs. Comer, aged 57 years, the mother of Mrs. Asbury Shelton, died the morning of the Fourth, at the Shelton home, southwest of Maryville, after an illness of one year and a half. Mr. Shelton is employed by George W. Stafford, who is superintendent of the farm of Mrs. Charles T. Bell. Mrs. Comer made her home with her daughter and her husband.

The funeral services were held at Ravenwood Wednesday morning, the former home of the deceased.

Guests at Colvin Home.

Dr. F. G. Smith and Harry Barton of Bethany came to Maryville the Fourth in Dr. Smith's touring car and are guests at the home of Mr. and Mrs. James Colvin of West Third street. The visitors will return to Bethany Wednesday evening, accompanied by Mrs. Alpha Bishop.

Mrs. John Cook and little sons, Earl and Harold, returned to her home near Pickering Wednesday from a short visit with her mother, Mrs. James M. West.

Advice about your eyes.

When reading have the light fall on the page over the left shoulder. Never try to read with insufficient light. Do not continue reading or sewing after your eyes have begun to tire. Never use eye salves or washes except upon the advice of a physician. If after you heed these warnings your eyes even still give you trouble, visit our optical department, and get a properly fitted pair of glasses.

MEN OLD AT 35.

One Million Baldheads Who Thought Dandruff Wasn't Dangerous.

In the United States and Canada today there are nearly a million men who at 35 can be put in the baldhead class.

When these men had thick, vigorous hair, dandruff made its appearance.

That was the time to attack the enemy of mankind—the persistent little devil called a dandruff microbe, or germ that burrows deep down into the hair root and saps it of the vitality that is so essential to the hair.

Young men or any man, for that matter, beware of the dandruff germ; it is not a theory, but an actual condition that confronts you. That dandruff is caused by a germ is proven beyond question. That a germ destroys the hair root is today a matter of common knowledge.

The Koch Pharmacy has the remedy that kills the dandruff germs. They guarantee it to eradicate dandruff, stop falling hair and itching scalp in two weeks or money back. It is called Parisian Sage and can be obtained at druggists in every town in America—ask them for it. The girl with the Auburn hair is on every bottle of Parisian Sage.

SAFE AND SANE CELEBRATION

Fourth is Observed in Many Cities Without Noise.

NEW YORK HALL CENTENNIAL.

Mayor Gaynor Speaks at Celebration of Anniversary of Building—Postmaster General Hitchcock Is Only Member of Cabinet in Washington.

New York, July 5.—The local ordinances tamed every element of the old time Fourth of July celebration here, except the weather, and except for sizzling heat New York celebrated the day under conditions "safe and sane."

The principal feature of the celebration was the exercises at the city hall in commemoration of the centennial of that building. There were addresses by Mayor Gaynor and others. Joseph Garibaldi, a grandson of the Italian liberator, who gained distinction in the Mexican insurrection, was the chief figure in a celebration held by the residents around Washington square.

No Noise in Kansas City.

Kansas City, July 5.—For the first time in its history Kansas City celebrated a "sane" Fourth. Fireworks and noise making is forbidden. Water sports and athletics were resorted to as a means of observance of the day.

In Kansas City, Kan., the old style Fourth was observed. Several accidents were reported and one baby, frightened into spasms by a cannon cracker, was dying. A sane Fourth was observed in most Kansas and Oklahoma towns.

Hundred Thousand Sing America.

Denver, July 5.—"My Country, 'Tis of Thee," sung or hummed by more than 100,000 persons marked the celebration of a sane Fourth in Denver. The booming of a great bell in the tower of a downtown department store gave the signal for the beginning of a military and industrial parade. The crowds packing the streets, in the parks, street cars and the unfortunates in offices and stores joined in the song of the republic.

Historical Tableaux in Chicago.

Chicago, July 5.—Chicago celebrated its second "sane" Fourth with an Independence day parade consisting of historical tableaux. The substitution of this sort of entertainment for the cannon cracker, toy pistol and fireworks in the celebration of Independence day is now an established custom here. There was a marked decrease in the number of fires and accidents compared with a year ago.

Washington Without Fireworks.

Washington, July 5.—This city celebrated Independence day without a firecracker or a toy pistol, the law prohibiting the sale of explosives being rigidly enforced. Official Washington was deserted. Postmaster General Hitchcock was left "sitting on the lid," the only cabinet officer in town.

Big Celebration in Manila.

Manila, July 5.—There was an ideal celebration of Independence day here, fine weather contributing its share. The Filipinos joined with the American residents in the public exercises. Fifty thousand persons turned out.

94 DEAD; 585 OVERCOME

Heat Forces Mills and Factories to Close Their Doors.

Chicago, July 5.—Revised lists o deaths caused directly by heat and indirectly by suicide and drowning of bathers show ninety-four deaths in the United States and 585 prostrations.

Suffering from heat is reported from every portion of the United States, and even up in Canada the people in the large cities feel the hot weather the most acutely.

In many places mills and factories have been forced to close their doors, employees being unable to work in the heat, and at Marietta, O., the heat was intense enough to blow up a nitroglycerine plant, slightly injuring three men.

Sixteen dead and a score of prostrations is the record up to date of the heat wave in Cleveland, which reached a maximum temperature of 106 degrees.

Fourth Day of Torrid Wave.

Washington, July 5.—The fourth day of the heat wave spread like a hot blanket from New England to western Kansas, and brought no hope of marked relief. A slight barometric depression, which the weather sharps say is now forming in the northwest, is the only hope now held out. Unless it grows to a full-fledged rain storm, there is no immediate prospect of rescue from the abnormal temperature and oppressive humidity, which have collected a record breaking toll of death and suffering.

Orders Harrison Home Sold.

Indianapolis, July 5.—Former President Benjamin Harrison's homestead, on North Delaware street, is to be sold. The order was included in Judge Collier's final decree, settling the partition brought by Russell B. Harrison against the other children. This property will not be sold for less than $30,000.

WOLGAST WINS IN 13TH ROUND

Champion Retains Title by Knocking Out Moran.

FAST, EVEN FIGHT UNTIL END.

Honors Are Well Divided Until Champion Sends a Right Hand Uppercut to Stomach, Following With Two Similar Effective Blows.

San Francisco, July 5.—Champion Ad Wolgast, fighting true to form, retained his title by knocking out Owen Moran of Birmingham, England, in the thirteenth round of their scheduled twenty-round battle in the Eighth street open air arena.

Wolgast knocked out the Englishman in the first minute of fighting in this round. The lightweights had been going at a terrific pace up to the very end, with the honors first with one and then with the other.

Wolgast, rushing the Britisher into a neutral corner in the thirteenth, ripped a righthand uppercut into the stomach at close quarters, following with two similar punches that sent the game little Englishman to the canvas, helpless and gasping while the arm of the referee tolled off the ten seconds.

JOY RIDERS IN AN AEROPLANE

Mechanic Smashes Rex Smith's Flying Machine, Then Disappears.

Washington, July 5.—Joy riding has found its way into aviation, as a smashed machine at College park testifies.

At the conclusion of several successful demonstrations and when those in authority had left the grounds, a mechanic employed by Rex Smith, a local aviator, hauled Smith's machine from his hangar.

"Watch me show up the soldiers," the mechanic remarked, not abashed by performances of the officers of the army, who are practicing aviation at the field.

The joy rider started. He had barely left the ground when his inexperience brought the machine crashing to earth. He emerged from the wreckage slightly scratched. He has not been seen since.

FUSE PRESIDENT GUILTY

Sentence to Be Passed on Frank G. Jones of Muskegon.

Grand Rapids, Mich., July 5.—Frank G. Jones, president of the defunct American Electric Fuse company of Muskegon, changed his plea to guilty in the superior court to the charge of fraud in connection with the transactions of the concern. Judge Stuart will pass sentence tomorrow.

Charles L. Johnson, the Chicago banker under arrest for alleged complicity in the fraudulent transactions of the company, of which he was treasurer, demanded an examination when arraigned in the police court.

Johnson said he had not been given an opportunity to secure a lawyer and wanted one before he went to trial. Judge Hess fixed the amount of the bond at $7,000.

EDDY WILL SUIT PROCEEDS

Court Refuses Injunction to Restrain George W. Glover's Contest.

Concord, N. H., July 5.—In the superior court Chief Justice Wallace denied the motion for an injunction to restrain George W. Glover of Lead, S. D., from proceeding with the suit brought to determine the legality of the residuary clauses of the will of the late Mary Baker G. Eddy.

An exception was taken which will be transferred to the supreme court to which the suit is to go on the demurrer filed by the defense.

The plaintiffs were given leave to file further amendments until July 15 and the defense until July 17 to change their demurrer to meet conditions then existing.

FIFTY MORE POSTAL BANKS

Postmaster General Says Opposition Has Almost Disappeared.

Washington, July 5.—In announcing the addition of fifty more postal savings depositories, situated in thirty-two states, Postmaster General Hitchcock noted that the opposition of banking institutions to the establishment of these depositories had almost disappeared. Applications for authority to receive postal funds are being received from banks at the rate of about forty a day.

Safes Blown at Windsor.

Santa Rosa, Cal., July 5.—Blowing in quick succession the safes of the postoffice and the merchandise store of Frank J. Pool in the town of Windsor, a gang of cracksmen made what is believed to have been heavy hauls and escaped after an exchange of shots with a policeman and several citizens.

Habeas Corpus Writ Refused.

San Francisco, July 5.—Patrick Calhoun, Tierney L. Ford, Thornwell Mullaly and William M. Abbott, the United Railroad officials indicted on the charge of bribing city officials, were denied release on habeas corpus proceedings by the state supreme court.

SAGE TEA WILL DARKEN THE HAIR

Restore Faded and Gray Hair to Natural Color—Dandruff Quickly Removed.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect.

Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.

The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

The Best Advice on Lumber Costs the Least Money

and when we say to prospective homebuilders that "now's the time to build" we are offering you really sound advice. No matter what you have heard about cheaper lumber, take it from us that you're on the safe side if you build right now. We haven't been in the lumber business for 6 years for nothing—we know a thing or two and we're willing to admit you do too, but in the face of all this talk nowadays about timber conservation we believe you'll agree that lumber has a fixed value and that by delaying the building of your new home you will gain nothing but inconvenience.

We believe we can convince you the above is good advice—let's talk it over.

The following formed a picnic party at Normal park the Fourth as the guests of H. E. and U. S. Wright and Mrs. Rebecca Gray and their families: Mr. and Mrs. W. M. Wright and children, Misses Golda and Geraldine and William Wright, and Miss Vivian Liggett, all of Blockton, Ia.; Mrs. Leola Coggins, who is principal of the schools at Hebron, Neb.; Mr. and Mrs. H. O. Gray and son, Harold, of Parnell; Miss Belle Stewart of Parnell, and Mrs. Edmond and children of Iowa, who are the guests of Mr. and Mrs. H. E. Wright. The other members of the company were H. E. Wright and family, U. S. Wright and family, Mrs. Rebecca Gray and son, Edward; Mr. and Mrs. O. E. Wright and sons, Dean, Everett and Vern, of Bedison; Mr. and Mrs. Jesse Douglass, and Mr. and Mrs. Ben Chandler of Bedison.

Marie Donahue Married.

Mr. and Mrs. Charles Bailey Odle of Little Rock, Ark., announce the marriage of their daughter, Anna Estelle Odle, to Marc Therian Donahue of St. Louis, on Wednesday, June 28. Mr. Donahue is a former Maryville young man. He is the youngest brother of Mrs. Jefferson Garrett of this city, and a nephew of D. R. Eversole. He is a traveling salesman for a St. Louis wholesale millinery house. Mr. and Mrs. Donahue have started on an extended wedding trip in the north. They will be at home to their friends after September 1st in St. Louis.

ATTENDED FUNERAL IN SAVANNAH

Mr. and Mrs. F. E. Whitchurch went to Savannah Sunday morning and attended the funeral services of William Nance, who was the Burlington railway's agent there.

Mr. Whitchurch is the telegraph operator at the Maryville Burlington depot.

Burlington railway officials who were present at the funeral were A. L. West, assistant general freight agent, and Edward Spear, city freight solicitor of St. Joseph, and W. A. Enis, the agent at Rosendale.

Mrs. S. J. Yager went to Creston, Ia., Monday to visit her daughter, Mrs. S. M. King.

Miss Bess Carmichael spent the Fourth in Hopkins with Miss Chloe Jeffers and Miss Bess Burch.

Mrs. Theodore Miller went to Bolckow Wednesday for a three weeks' visit with her son, who lives near there.

Charles Allen, a son of Mr. and Mrs. W. H. Allen, had his feet poisoned Sunday by black stockings. The young man had been playing and became so warm the perspiration caused the hose to poison his feet. Both of his feet and legs up to the knees have been bandaged up. The case is not regarded as serious.

Mrs. Fletcher Irwin left Monday evening for her home in Chicago, after a two weeks' visit in Maryville with her mother, Mrs. Katharine Miller, and sister, Mrs. F. P. Robinson.

Roy Andrews, Babe Staples and Miss Tibcock of Burlington Junction were guests of Mr. Andrews' parents, Mr. and Mrs. E. L. Andrews, the Fourth.

Dr. Robert Bantz of Skidmore visited in the city Tuesday and Wednesday with his parents, Mr. and Mrs. John Bantz.

Mrs. James Mitchell and daughter, Miss Lela Mitchell, of Colorado Springs, Col., who have been guests of Mrs. Mitchell's sisters, Mrs. James F. Montgomery and Mrs. M. M. Rittenour, went to Burlington Junction Wednesday morning to visit other relatives.

Professor and Mrs. D. R. Denning of St. Joseph spent the Fourth in Maryville with his parents, Mr. and Mrs. David L. Denning.

Mrs. J. J. Ryan and little daughter, Emma Josephine, of St. Joseph, arrived in the city Wednesday to visit the family of her father, Taylor Glover.

Mr. and Mrs. T. H. Long and daughter, Miss Affie Long of St. Louis, arrived in the city Wednesday noon to visit Mr. Long's parents, Mr. and Mrs. George Long of Lawn avenue.

Des Moines Guests Go Home.

Miss Arloa Baldwin and Mr. Will Kaiser of Des Moines, Ia., who have been guests of Miss Ella Walton Frank the past week, left for their home Wednesday. Miss Frank and her guests were students at Drake university the past year.

Miss Avis Showalter of Blockton, Ia., was in the city Tuesday the guest of Mrs. Heath-Masters of St. Joseph, who is visiting friends in the city.

Henry Neuens of St. Joseph spent the Fourth in the city with his mother, Mrs. Anna Neuens.

Mr. and Mrs. M. J. Dougan and children spent the Fourth in the city with Mrs. Dougan's parents, Mr. and Mrs. James Mahoney.

Miss Genevieve Retz of Cromwell, Ia., was the guest of Miss Anna Anderson over the Fourth.

Mrs. P. H. Proctor and son, Raymond Lawrence, and her mother, Mrs. Clara Hilsabeck, of Orrsburg, and Miss Mamie Vinzant of Pickering were Fourth of July guests of Mrs. Hilsabeck's mother, Mrs. John H. Green.

John Herren went to Bedford Wednesday on business.

Mrs. Erane Nelson of Ravenwood, who has been visiting the family of her brother, Robinson Craven, and David T. Stewart, went to Pickering Wednesday to visit another brother, James Craven, and family.

WON ONE, LOST TWO

(Continued from page 1.)

Two-base hits, Bacom, Black, Forrester. Sacrifice hits, Forrester. Stolen bases, McCabe, McNeil, Drumm, Black. Struck out, by Baird 6, by Beltz 10. Left on bases, Falls City 6, Maryville 9. Double play, Tappan to Trainor to Forrester. Bases on balls, off Baird 4, off Beltz 2. Time, 2:00. Umpire, Sage.

Monday's Game.

After struggling uselessly for seven innings to win, in spite of the umpire's decisions, and with Falls City five runs in the lead, the Comets waded into the ball in the eighth for three three-baggers, a double and a single, netting four runs, with two down. Here Finch was taken out and Woods finished the inning by striking out Southward. Each side registered one more in the ninth, and Maryville lost her third game via the umpire route 9 to 8.

The slugging was heavy on both sides, Falls City leading with fifteen hits to the Comets' fourteen. Wise, who started the game for Maryville, was replaced by Southward in the third.

The trouble all started in the third, when Sage called McCabe safe on second. Bulger raised an awful howl and was ordered to the bench. The decision looked so rank that Dietz would not stand for Walsh being benched and made Sage allow him to stay in the game. From then on it was just one big battle with the umps. Score:

	R.	H.	E.
Falls City.....0 0 4 0 3 0 1 1 0—8	12	3	
Maryville .....0 1 3 0 0 2 0 2 0—8	8	2	

Batteries—Finch, Woods and Vanderhill; Wise, Southward and Dietz. Umpire—Sage.

Notes.

Sage certainly "got in bad" Monday and there were dark clouds on his horizon. He came back Tuesday and did good work, and the fans showed by their friendly reception of him that the furor of the day before was only temporary.

Sackett and Dietz pulled off some grand team work with the stick in Tuesday morning's game. Four times up Sackett hit safe and was followed with a perfect sacrifice by Dietz each time. Sackett scored each time, too. For the fifth time at bat Sackett sacrificed, and Dietz stuck on first with a fielder's choice.

Falls City did some tall hit robbing, notably McCabe's catch of Black's fly and Trainor's stab of Walsh's hot drive through second.

We see Johnson got stung for ten hits and defeat in Tuesday's afternoon game at Shenandoah. He is getting his now. (We might say Woods got his, too.)

The Maryville base ball management are little short of funds. Another subscription will probably have to be taken for the team to finish the season. Nearly every other team in the league have raised more money.

The attendance at the ball games on the Fourth were the largest this season. In the morning there was an attendance of 400, and in the afternoon the crowd was estimated at 800.

Auburn Gets Both.

Auburn, Neb., July 5.—Auburn took both games of the double-header the Fourth, winning both morning and afternoon. Score morning game:

Cadillac

Breaks All Records For Low Cost of Up Keep!

Seventy-five Cadillac "30" owners in New York drive their cars 398,884 miles, sixteen times around the world, at a total cost for repairs of $53.27, an average of 71c per car. Forty-six of the owners had no repair cost whatever. Not a single penny. The highest repair charge was $10.00, the car going 9,000 miles.

Eleven other expenses 25 to 50 cents each. The average gasoline consumption for the touring car was fifteen miles to the gallon, and one quart of oil for each 175 miles traveled.

The Demitonneau made 17½ miles to the gallon, and 200 miles to the quart of oil. This amazing record revealed by statistics, compiled last year from the signed statements of 75 Cadillac "30" owners in New York City and vicinity.

Fifty Cars Average Cent a Month

Fifty Cadillac "30" owners in Dayton, Ohio, territory, drive an aggregate of 168,580 miles at a cost for repairs of $5.70, averaging 3,371 miles per car—12 cents each for repairs.

Of these 50 Cadillac owners, 45 had no repairs, and only five had any repair expense whatever.

Of these five, the largest repair bill was that of A. G. RUNDLE of Piqua, Ohio, who paid out $2.60, and his car traveled 20,000 miles.

The next highest was that of C. F. Kettering of Dayton, who spent $1.50.

Next, W. H. Nye of Ironton, 75 cents.

Next, G. W. Rahu of Greenville, 50 cents, and the last was Matt Marr of Miamisburg, Ohio, whose repair expense was 35 cents.

The average gasoline consumption was 17 miles to the gallon for the touring car, and 20 miles for the Demi Tonneau.

Theo. Sturm (brother of Nick Sturm, of Maryville, Mo.), who lives at Oklahoma City, Okla., but now visiting in Maryville, Mo., has driven his Cadillac car sixteen thousand miles without one cent of up-keep.

Experience of Home Men

However, some will say and you may think, "Not so, just advertising." So we will tell you about your fellow townsmen and neighbors' expense bills.

Geo. L. Wilfley, of the Maryville National Bank, has driven 2,375 miles with 30 cents up-keep—for a grease cup knocked off accidentally.

S. G. Gillam of Gillam, Bellows & Pierce, has driven 1,518 miles with no repair expense.

Dr. Ryan of Quitman has driven 1,430 miles with no repair expense.

Mr. Sam Corrough of Arkoe has driven about 500 miles with no up-keep.

F. M. Townsend of the Townsend Grocery Co., 370 miles; no up-keep.

J. E. Clary of Sheridan, about 800 miles; no up-keep.

Here are six home men, five of them inexperienced, who have driven about 7,000 miles at a total up-keep expense of 30 cents or 4 cents to the thousand miles.

If you are from Missouri, ask the men who own the cars.

Those who are contemplating the purchase of an automobile should compare the up-keep expense of the Cadillac with other cars and then see us at Robey's garage.

Robey & McMurry

Stop That Dandruff

Before it kills your hair. You know dandruff is a germ disease and it leads slowly and surely to baldness, and there is only one way to cure dandruff and that is to kill the germ that causes the trouble.

Greasy salves will never do this. Zemo and Zemo Soap kills the germ and are guaranteed to cure dandruff, itching scalp and all other germ diseases of the skin and scalp.

Zemo and Zemo Soap are the true scientific remedies for these afflictions. To show our faith in Zemo and Zemo Soap we have instructed the druggist selling them to refund your money if you are not satisfied with the results from the very first bottle and the first cake of soap.

We can afford to make this offer because one bottle of Zemo and one cake of soap are sufficient to show their healing qualities, and if used according to directions they will effect a permanent cure.

Sold by druggists everywhere and in Maryville by Charles Love Drug company.

Miss Clara Kalterman went to her home in Kansas City Tuesday evening for a several days' visit with her mother, Mrs. Barbara Kalterman, and her brother, Henry Kalterman.

Homer Wallace of Holton, Kan., is visiting in the city with his mother, Mrs. John L. Wallace, and his brothers, John A., George and Frank Wallace.

Miss Ora McMillan of Red Oak, Ia., visited in the city the Fourth with her sister, Miss Audrey McMillan.

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or money will be refunded. Having tried it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results, pleasant to take and does not gripe. It is especially good for all those who can not stand a violent purgative.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, B. 509 Caldwell building, Monticello, Ill.

TOLLKEEPER SLAIN; BODY THROWN IN RIVER

H. E. Fallers Attacked on Omaha-Council Bluffs Bridge.

Omaha, July 5.—H. E. Fallers, tollkeeper on the Douglas street bridge, was beaten to death while on duty some time during the night and his body thrown into the Missouri river.

The mystery of the tollkeeper's disappearance was solved when Detectives Heitfeld and Donohue of the Omaha police force discovered a clot of blood on the bridge railing near the tollhouse. Blood clots were also found on the cables beneath the bridge, where Fallers' body evidently hung suspended a moment before it fell into the river.

Launches have been sent south to try to find Fallers' body. The river banks on both sides are being searched.

The police of Council Bluffs and Omaha are now searching for three negroes who were seen skulking behind some tar barrels on the bridge shortly before the crime. They had been refused a trip across the bridge on the street car a few minutes before.

CAMORRA JURY MAY STRIKE

Members Are Demanding Higher Pay Because of Length of Trial.

Viterbo, Italy, July 5.—The jury before whom the Camorrists are being tried for the murder of Gennaro Cuoccolo and Signora Cuoccolo threatened to go on a strike and it was noon before they could be induced to take their seats and permit the trial to proceed.

A bill now before the chamber of deputies provides a special indemnity for the jurors serving in this capacity, but the extra allowance is made payable only from July 1. The trial began March 11 and the jurors demand that the extra pay date from the opening of the proceedings. To enforce their wishes they began obstructive tactics by absenting themselves for several hours and threatening to remain away altogether unless their wishes were granted.

TAFT AT BANQUET AT INDIANAPOLIS

President Delivers Address on Reciprocity.

CITY IS GAILY DECORATED.

Executive Reviews Parade in Monument Place and Spends Some Time Watching Athletic Contests—Leaves for Washington.

Indianapolis, July 5.—After spending a most strenuous day, President Taft attended the Marion club banquet and made the principal speech of the trip. Indianapolis was gaily decorated with the presidential and American flags. The president reviewed a parade, watched many athletic contests at the ball park and was escorted to the fair grounds by railway trainmen to watch a head-on collision of two locomotives.

President Taft chose "Reciprocity" as the subject of his banquet address. In the address the president defended his Republicanism in making the agreement with Canada.

He showed that reciprocity as presented to congress by him differed, if at all, only slightly from reciprocity as advocated by James G. Blaine and former President McKinley. He declared that the contention of the opponents of his reciprocity plan that the doctrine is un-Republican because it affects articles that are competitive and not merely non-competitive articles, is not sound.

Replying to the contention that reciprocity would be made wholly at the expense of the farmer and in the interest of the wage earner of the large cities, Mr. Taft declared that in his judgment "the reciprocity agreement will not greatly reduce the cost of living, if at all."

The complaint that the farmers would suffer by the agreement, the president said, when analyzed, would be found to be an argument that the admission of Canadian wheat free of duty would lower the price of wheat raised in the United States 10 cents a bushel.

Going direct from the banquet, where 600 plates were placed and which was attended by leaders of the Republican party from all over the state, the president and his party boarded a Pennsylvania train for Washington.

LISTEN TO LORIMER CASE

Senators Wish to Get Impressions of Testimony From First Hand.

Washington, July 5.—Many senators not engaged in the inquiry have expressed a desire to observe the demeanor of witnesses before the senate committee charged with the investigation of the election of William Lorimer to the United States senate. Their desire to watch the witnesses, particularly the confessed bribe-takers, who are expected to be examined after the committee reconvenes, eight days from now, is with a view to informing themselves in connection with the case when it comes to a vote in the senate. So great promises to be the attendance of these outside senators that a large hearing room will be procured of possible for the committee sessions to replace the present cramped quarters.

It was largely to afford these senators an opportunity of attending the hearings and because of the committee members wanting to remain here in connection with other legislative matters while congress remains in session that the committee decided to continue its hearings in Washington instead of resuming them in Chicago, deferring that trip until probably in August. During the recent sessions the daily attendance has been so great that senators who came to the hearing room late had difficulty in getting good seats.

John H. Marble and J. J. Healy, attorneys for the committee, taking advantage of the recess, are searching for new evidence. Hundreds of letters have been received by the committee investigating new lines of evidence, commenting on the character of witnesses already heard by the committee and giving advice generally. All these communications have been turned over to the attorneys and anything that promises to be valuable is being investigated.

MAYOR GRATEFUL TO GEORGE

Dublin Executive Will Welcome King Even If Municipality Refuses.

Dublin, July 5.—Lord Mayor Farrell said in an interview:

"If the Dublin corporation at its meeting today refuses to vote an address of welcome to King George and Queen Mary, I will go myself to welcome the king and thank him as a Catholic for cutting out the offensive words of the coronation oath."

A meeting was held at the entrance to the mansion house to protest against the adoption of any address of welcome by the corporation.

The Great Rush to

Alberta, Canada

(Taken from Spokane Spokesman)

"Since I was at Nome, Alaska, I have seen nothing resembling it until I was in Calgary, Alberta, the other day," said Irving E. Slater of Los Angeles, Cal., brother of Roy L. Slater of this city. "The town is so crowded with land investors and home seekers that you couldn't bite your way into a hotel. Alberta and the Western Canadian Provinces will supply the world with wheat and cattle in time to come," said Mr. Fairbain, "In making this statement I speak from the standpoint of one who is in a position to know what the future has in store for this country as a cattle and wheat raising section. I came here with the intention of purchasing a tract for my son. I think that the fact that I purchased 4000 acres of land here is the best evidence of my faith in the country and nothing I might say could be more convincing."

PURD WRIGHT AFTER MAGAZINE TRUST

Purd B. Wright, librarian of the public library at Kansas City, is quoted in the Kansas City Star in regard to the magazine trust.

Mr Wright spent a day in Maryville before our city library was realized and gave much valuable advice to the promoters of our library. What he says about the proposed action against the alleged "magazine trust" is spoken of as follows in the Star:

One of the librarians to whom credit is due for starting the government action for the dissolution of the periodical clearing house, known as the "magazine trust," is Purd B. Wright, librarian at the public library. Mr. Wright was librarian at St. Joseph when the evidence against the clearing house was obtained a little more than a year ago. He worked with librarians at Cleveland, Baltimore and Grand Rapids in obtaining the evidence.

"The clearing house made the prices of periodicals arbitrarily, and from 10 to 20 per cent higher," Mr. Wright said. "Agents who cut prices to the libraries lost their positions, and the libraries which received the cut prices found that their money was returned to them and they were dropped from the publishers' list.

"The evidence we obtained was chiefly agents' agreements. These finally went up to the attorney general of the United States through the librarian and district attorney of Cleveland. If the legal department of the United States finds that the combination is an unlawful combination in restraint of trade, then the libraries will be able to buy in a free competing field again."

Miss Margaret Schaub of St. Joseph, who has been visiting a few days with the family of her uncle, J. H. Schaub, on West Seventh street, returned to her home Monday evening.

Miss Ethel Ulmer and Miss Bertha Seals went to Amazonia Monday evening to visit Miss Ethel's aunt, Mrs. Margaret Cain.

E. A. Rask of Chicago was the guest of Miss Mabel McCrary on the Fourth.
